

How Northgate is Run

Welcome!

We consider it an honour that you have chosen to look into how Northgate functions as a Christ-centred church fellowship. We hope this document will give you a greater understanding of how we function and how we minister to each other and to our surrounding communities.

Attendance

Attendance at public services such as Sunday morning worship as well as children and youth ministries are open to everyone, both Christians (ie. Individuals professing Jesus as their Lord and personal saviour) and non-Christians.

Membership

There is no formal congregational membership at Northgate.

Ministry Participation

All Christians attending Northgate are encouraged to be active in ministry. As a church body we must seek to foster an environment where everyone is exercising their talents and spiritual gifts to the full extent that they are able to do so.

We believe that Jesus' ongoing work and witness in the local community is done by the body of believers that make up the local church. This work is not the sole responsibility of a pastor or ministry leadership but is the responsibility of every committed Christian. As a result, our desire is to see as many people as possible taking part in ministry within Northgate and within the communities each of us lives in.

Ministry Leadership

The work at Northgate is divided among the body of believers by appointing Ministry Leaders to oversee discipleship, outreach and worship responsibilities as well as the administrative functions of the church.

All Ministry Leaders responsible for discipleship, outreach and worship are approved and appointed by the Elders and report directly to the Pastor. All Ministry Leaders responsible for administrative functions of the church are appointed by, and report directly to the Pastor.

All individuals seeking to serve in ministry leadership positions, and anyone serving in discipleship or outreach ministries, must complete and submit a Ministry Application form and agree with the statement of faith of Northgate Ministries. Copies of Northgate's statement of faith can be obtained from any one of the Ministry Leaders, Elders or Deaconesses and can also be found at the following weblink: <https://northgateministry.com/about/what-we-believe/>.

A list of current Northgate ministries is provided below. However, ministry is by no means limited to those listed in this document. If you have ideas or a calling to minister in an area that is not listed below, please speak to one of the Elders (also listed below). There are many needs within our church and our local communities and we would be happy to develop additional ways to demonstrate Jesus' love.

The administration of the church's activities requires many hands. Volunteering to help with one of these essential functions is a great way to participate in Northgate's ministry.
